## Juniors By Kauī Hart Hemmings

Lea Lane has lived in between all her life.

Part Hawaiian, part Mainlander. Perpetual new girl at school. Hanging in the shadow of her actress mother's spotlight. And now: new resident of the prominent West family's guest cottage.

Bracing herself for the embarrassment of being her classmates' latest charity case, Lea is surprised when she starts becoming friends with Will and Whitney West instead—or in the case of gorgeous, unattainable Will, possibly even more than friends. And despite their differences, Whitney and Lea have a lot in common: both are navigating a tangled web of relationships, past disappointments and future hopes. As things heat up with Will, and her friendship with Whitney deepens, Lea has to decide how much she's willing to change in order to fit into their world.

Lea Lane has lived in between all her life. But it isn't until her junior year that she learns how to do it on her own terms.

## Editorial Review

From School Library Journal

Gr 10 Up—Growing up part Hawaiian made visiting Oahu easy for Lea Lane—playing with childhood friends, seeing her Hawaiian relatives, and surfing all came so naturally. When Lea's actress mother moves them both to the state halfway through Lea's junior year to film a new television show, nothing can prepare her for navigating the posh lifestyle in which she finds herself. Will Lea stay in the shadows or change to fit their new life? Hemmings, the author of *The Descendants* (Random, 2007), in her YA debut creates an interesting take on the classic coming-of-age novel by offering an appealing look into the lives of the wealthy on Oahu and an exclusive invitation into one of the country's most prestigious private schools (President Obama is an alum). A well-paced plot, fully developed and authentic characters, and a multifaceted and integrated setting will pull in reluctant and avid readers, alike. Fans of realistic fiction will eat up the intensity of Lea's angst as she adjusts to her new lifestyle, new friends, and possible romance. Talk of drinking, drugs, and sex make this appropriate for older teens. VERDICT Recommended purchase for collections where contemporary teen fiction flies off the shelves.—DeHanza Kwong, Wahiawa Public Library, Hawaii

### Review

\* “Wryly funny, generous-hearted, garnished with sun, surfing, and shave ice—a genuinely literary beach read.”—*Kirkus Reviews*, starred review

### About the Author

Maui Hart Hemmings is the author of *House of Thieves*, a collection of short stories, and *The Descendants*, a *New York Times* bestselling novel and Oscar-winning film for best adapted screenplay. Her most recent novel, *The Possibilities*, has been optioned for film by Jason Reitman. Maui lives in Hawaii with her family.

## Users Review

### From reader reviews:

#### Steven Stockton:

Book is to be different for each and every grade. Book for children till adult are different content. As we know that book is very important for all of us. The book *Juniors* has been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The publication *Juniors* is not only giving you a lot more new information but also being your friend when you experience bored. You can spend your personal spend time to read your publication. Try to make relationship together with the book *Juniors*. You never sense lose out for everything in case you read some books.

#### Billie Sneed:

In this 21st one hundred year, people become competitive in every way. By being competitive right now, people have to do something to make these people survive, being in the middle of the particular crowded place

and notice by means of surrounding. One thing that at times many people have underestimated the item for a while is reading. Yep, by reading a book your ability to survive enhance then having chance to remain than other is high. For you personally who want to start reading some sort of book, we give you this specific Juniors book as beginning and daily reading publication. Why, because this book is more than just a book.

**Jeffery Bruce:**

Here thing why that Juniors are different and reputable to be yours. First of all looking at a book is good nonetheless it depends in the content of it which is the content is as tasty as food or not. Juniors giving you information deeper as different ways, you can find any publication out there but there is no publication that similar with Juniors. It gives you thrill reading through journey, its open up your own eyes about the thing that will happened in the world which is might be can be happened around you. You can easily bring everywhere like in area, café, or even in your approach home by train. If you are having difficulties in bringing the paper book maybe the form of Juniors in e-book can be your substitute.

**Dwight Ambrose:**

A lot of people always spent their very own free time to vacation or even go to the outside with them household or their friend. Did you know? Many a lot of people spent many people free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity this is look different you can read any book. It is really fun in your case. If you enjoy the book which you read you can spent all day every day to reading a guide. The book Juniors it is rather good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. If you did not have enough space to bring this book you can buy often the e-book. You can m0ore very easily to read this book from a smart phone. The price is not very costly but this book offers high quality.
