Lies (Gone Book 3) By Michael Grant

It's been seven months since all the adults disappeared. Gone. It happens in one night: a girl who died now walks among the living; Zil and the Human Crew set fire to Perdido Beach; and amid the flames and smoke, Sam sees the figure of the boy he fears the most: Drake. But Drake is dead—or so they thought.

Perdido Beach burns and battles rage: Astrid against the Town Council; the Human Crew versus the mutants; and Sam against Drake, who is back from the dead and ready to finish where he and Sam left off. They say that death is a way to escape the FAYZ, but are the kids of Perdido Beach desperate enough to believe that death will set them free?

Editorial Review

From [Booklist](#)

Shortly after the world-changing events of *Gone* (2008) and *Hunger* (2009), the young residents of the FAYZ face ominous new threats, including a death-obsessed cult leader and the resurrection of a buried girl. And remember Drake the Whip Hand? Yeah, he might be back, too. Grant continues to hurtle through an endlessly fascinating (and increasingly grim) story line; his chief achievement, though, is how the X-Men-style powers of his cast never overwhelm the mournful realization that their world is slowly degenerating into brutality. The vast array of characters will challenge newcomers; fans, though, will go bonkers. Grades 6-9. --Daniel Kraus

Review

"... exciting, high-tension story told in a driving, torrential narrative that never lets up. This is great fiction. I love this book.' Stephen King, bestselling author. 'A tour-de-force that will leave readers dazed, disturbed, and utterly breathless' Booklist; 'If Stephen King had written *Lord of the Flies*, it might have been a little like this' Voice of Youth Advocates (VOYA) (Starred Review) 'I Love this book' - Stephen King, bestselling author"

From the Back Cover

It's been seven months since all the adults disappeared. *Gone*.
