Oh, Your god!: The Evil Idea That is Religion By Joshua Kelly

From the New Atheist arguments of Christopher Hitchens and Richard Dawkins to the material observations of Lucretius, Epicurus, and Democritus, the discussion of what religion is and the role it plays in our lives is the single greatest dialogue we can have. *Oh, Your god!* is a compelling assertion that the entire enterprise of organized religion is a thing for which the world and our species would have been better without. Drawing from timeless philosophers, modern debates, historical events and current social climes, Joshua Kelly has compiled a series of observations that will aid any budding anti-theist in their study of religious malice and provide a solid insight into the evils of religion for those sitting on the cosmological fence. Examining the murders of Nigeria's "witch children" to the subversion of sexual emancipation to the essence of psychological slavery, the hypocrisy of fundamentalism, September 11th, the definition of marriage, the pseudo-morality of monotheistic mythology, and many other examples, this book is a comprehensive scrutiny of the evils that religion has inflicted on our persons, cultures, and our "cognitive liberation as evolved primates".

Editorial Review

Review

- "Joshua Kelly offers a new and entertaining perspective on religion and the conflict that it has historically been responsible for. Kelly makes a strong case as he sets out to dispel the myth of the goodness of religion."

-- David G. McAfee, author of *Mom, Dad, I'm an Atheist: The Guide to Coming Out as a Non-believer and Disproving Christianity and other Secular Writings*

- "[An] excellent new book." --**Hemant Mehta, *The Friendly Atheist***.
- "Striking and thought-provoking...a book that inspires people to think!" **Fourculture Magazine**

- "Joshua Kelly delivers a devastating argument against organized religion. Using both wit and austerity, he develops an explanation of the terror it has caused among our cultures and societies over a lengthy course of time (Some topics offered new information for me, could be very useful while in debate). Aside from the main argument, he offers a number of atheism-related quotations and a detailed bibliography (Both prove interesting). Looking forward to what he has in store for us in the coming months and years!" -- **J.D. Brucker, author of *Improbable: Is There Any Reason To Believe In God***

- "Down to earth and to the point for theists and non-theists alike. Opens religious beliefs to the light of day in a fair and descriptive manner." --**Dennis Erickson, author of *God, Man and Moses***

About the Author

Joshua Kelly writes on religion, literature, and politics at *An Unbelieving Voice* and is a regular contributor to the *Danthropology* blog on the Patheos network. He lives in Ellensburg, Washington.

Users Review

From reader reviews:

John Reed:

What do you ponder on book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Only you can be answered for that query above. Every person has diverse personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book Oh, Your god!: The Evil Idea That is Religion. All type of book is it possible to see on many solutions. You can look for the internet resources or other social media.

Kenisha Perkins:

In this 21st centuries, people become competitive in each and every way. By being competitive now, people have to do something to make these people survive, being in the middle of the particular crowded place and notice by means of surrounding. One thing that at times many people have underestimated the item for a while is reading. Yes, by reading a reserve your ability to survive enhance then having chance to stay than other is high. For you who want to start reading the book, we give you this specific Oh, Your god!: The Evil Idea That is Religion book as basic and daily reading book. Why, because this book is greater than just a book.

Larry Parrish:

Nowadays reading books become more and more than want or need but also be a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want drive more knowledge just go with training books but if you want experience happy read one using theme for entertaining for instance comic or novel. The actual Oh, Your god!: The Evil Idea That is Religion is kind of book which is giving the reader capricious experience.

Robert Clark:

Reading a book tends to be new life style in this particular era globalization. With reading through you can get a lot of information which will give you benefit in your life. Having book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their own reader with their story as well as their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write with their book. One of them is this Oh, Your god!: The Evil Idea That is Religion.
