### Selections from Gift from the Sea By Anne Morrow Lindberh

"The setting of this book is the sea-shore. On vacation there, living a deliberately simplified life, Mrs. Lindbergh discovers that the sea has gifts to give all who find their daily lives too busy, too hurried, too unharmonious. She seeks -- from the shells, the sea creatures, the sure pattern of the tides - an order that can reveal the values of the inner life. Finding that order, she shares her insights in graceful prose that flows like unrhymed poetry."
