The Heretic Queen: Heiress of Misfortune, Pharaoh's Beloved By Michelle Moran

In ancient Egypt, a forgotten princess must overcome her family's past and remake history.

The winds of change are blowing through Thebes. A devastating palace fire has killed the Eighteenth Dynasty's royal family—all with the exception of Nefertari, the niece of the reviled former queen, Nefertiti. The girl's deceased family has been branded as heretical, and no one in Egypt will speak their names. A relic of a previous reign, Nefertari is pushed aside, an unimportant princess left to run wild in the palace. But this changes when she is taken under the wing of the Pharaoh's aunt, then brought to the Temple of Hathor, where she is educated in a manner befitting a future queen.

Soon Nefertari catches the eye of the Crown Prince, and despite her family's history, they fall in love and wish to marry. Yet all of Egypt opposes this union between the rising star of a new dynasty and the fading star of an old, heretical one. While political adversity sets the country on edge, Nefertari becomes the wife of Ramesses the Great. Destined to be the most powerful Pharaoh in Egypt, he is also the man who must confront the most famous exodus in history.

Sweeping in scope and meticulous in detail, *The Heretic Queen* is a novel of passion and power, heartbreak and redemption.

Editorial Review

From Publishers Weekly

The intricacies of the ancient Egyptian court are brought to life in Moran's fascinating tale of a princess's rise to power. Nefertari, niece of the famed heretic queen Nefertiti, becomes part of the court of Pharaoh Seti I after her family is deposed, and she befriends Ramesses II, the young crown prince. When Ramesses is made co-monarch, he weds Iset, the granddaughter of a harem girl backed by Seti's conniving sister, Henuttawy, the priestess of Isis. As Nefertari's position in the court becomes tenuous, she realizes that she, too, wants to marry Ramesses and enlists the help of Seti's other sister, Woserit. But when Nefertari succeeds in wedding Ramesses, power struggles and court intrigues threaten her security, and it is questionable whether the Egyptian people will accept a heretic descendant as their ruler or if civil war will erupt. Moran (*Nefertiti*) brings her characters to life, especially Nefertari, who helped Ramesses II become one of the most famous of Egyptian pharaohs. Nefertari's struggles to be accepted as a ruler loved as a leader and to secure her family's position throughout eternity are sure to appeal to fans of historical fiction. (*Sept.*)

From *Booklist*

Moran, author of *Nefertiti* (2007), continues to plow the fertile terrain of ancient Egypt to produce evocative historical fiction. Nefertari, niece of the infamous Queen Nefertiti, is the only member of her reviled and deposed dynasty to survive a devastating fire. When young Nefertari falls in love with Ramesses, heir to the Egyptian throne, the sparks really begin to fly. Though many are opposed to the union, the young lovers defy the court of public opinion and marry, setting the fervent tone that will characterize their royal union through years of war, rebellion, and exodus. Set against a colorful backdrop of court intrigue, jealous rivalries, and internal and external power struggles, this authentically detailed slice of Egyptania will appeal to fans of Christian Jacq's Ramses series. --Margaret Flanagan

Review

"Nefertari tells her story simply, humbly, and in a clear voice that will attract readers."

—*Romantic Times*

"Moran's careful attention to detail and her artful storytelling skills bring these people to vivid life, imbuing ancient history with suspense and urgency."

—*Boston Globe*

"Performing deft feats of Egyptian magic, Michelle Moran transforms stone-cold history-from-hieroglyphs into gripping narrative, peopled by unforgettable characters seething with conflict and passion. I couldn't stop reading, but I didn't want this book to end."

—Robin Maxwell, author of *Mademoiselle Boleyn*

"Michelle Moran breathes new life into the faded paintings on tomb walls, bringing Ramesses, Nefertari, and the whole panoply of ancient Egyptian splendor to vivid, bustling, page-turning life."

—Lauren Willig, author of *The Secret History of the Pink Carnation*

"Authentic, captivating, and beautifully rendered, Michelle Moran's *The Heretic Queen* brings to vivid life the ancient courts and distant vistas of New Kingdom Egypt. A fascinating read."

—Susan Fraser King, author of *Lady Macbeth*

“*The Heretic Queen* is a real page-turner! A heady, ancient Egyptian brew of magic and mystery; history, murder, and palace intrigue as well as romance. I read this enthralling novel in one sitting.”
—India Edghill, author of *Wisdom’s Daughter*

“A marvelous read. Moran renders the arcane Egypt of hieroglyphs and foundering monuments into a breathing world whose characters we care deeply about. I read it in a trice and wished there was more.”
—Erika Mailman, author of *The Witch’s Trinity*

“*The Heretic Queen* is historical fiction at its best. Michelle Moran seamlessly incorporates accurate details into a story full of suspense, intrigue, and tenderness that’s impossible to put down until you’ve reached the last page. An absolute triumph!”

—Tasha Alexander, author of *A Fatal Waltz*

From the Hardcover edition.
