**Description:** 1973/79 Ford Truck Master Parts and Accessory Catalog (100-500 Series). This manual contains part numbers and illustrations for truck series B500, E100/300, F100/500, P350/500 and American Road Camper for model year 1973 for U.S. and Canadian built vehicles. The descriptions and specifications contained in this manual were in effect at the time the manual was approved for printing.

This is an electronic version of the original manual used by the Ford dealership mechanics to identify the correct service part for Ford Trucks. It contains a comprehensive list of part numbers, diagrams, illustrations, cross-references, and other valuable information necessary for any restoration project.

The Ford Truck Master Parts and Accessory Catalog contains virtually every part number and diagrams specific to a vehicle by year and model. Think of it this way, an Owners Manual has basic operator information, a Shop Manual has maintenance/repair information, and the Master Parts and Accessory Catalog contains all the service part information to order the correct repair part. If you are considering any restoration project, large or small, this manual will save you time and money in identifying the correct part.

One of the more valuable features of this manual are the detailed illustrations of the vehicle. Disassembled views of the principal units show the various parts and subassembly. In many cases, a glance at these illustrations will tell you all you need to know about how the parts go together.
