*\*For a preview of the grammar questions, check the Kindle version's "Look Inside" feature.\**

If you teach grammar to English intermediate or advanced language learners, **this book will make your life a whole lot easier.**

It's a great way for your intermediate and advanced students to **practice grammar in a natural and engaging way** while you listen for any problems they are having.

Plus it will save you a lot of preparation time. Each topic has 17 questions which will **fill between 20 and 50 minutes of class time** depending on how talkative your students are. And you can also pair down the questions for a filler activity, warm-up, or review.

It's a **perfect supplement to any of the major ESL or EFL textbooks** that teach four skills (speaking, listening, reading, writing) and contain a grammar component.

The grammar points are organized with the most commonly taught grammar points at the beginning of the book.

There is also a grammar explanation section for each grammar point that will act as a refresher for teacher.

It may be the only resource book of conversation questions designed to practice specific grammar points.
