### Almost Single By Advaita Kala

In a city where old is meeting new, daughters are surprising mothers, and love is breaking all the rules, this heartfelt and wickedly funny cross-cultural debut novel introduces a smart, irreverent young woman searching for independence and matrimony in a culture bound by tradition.

Between elegant soirees and the occasional mortifying mishap, Aisha Bhatia's job as guest relations manager at New Delhi's five-star Grand Orchid Hotel is intermittently fabulous—she certainly knows her wines and cheeses. But despite a life filled with good friends and first-class travel accommodations, the fact is that not many twenty-nine-year-old women in India are single—as Aisha's mother never fails to remind her. Somewhere a clock is ticking, though as far as Aisha is concerned, it can be cheerfully drowned out by laughter over a champagne brunch. Yet when the handsomely chiseled Karan Verma arrives from New York, Aisha experiences an unexpected attitude adjustment. Karan is everything she's ever wanted...that is, if she actually *knew* what she wanted. Is it possible that she's about to find out?

Savvy, sexy, and unforgettable, **Almost Single** tackles the loving, exasperating tug-of-war between mothers and daughters, traditional customs and contemporary romance—and what happens when a modern Indian woman is caught in the middle.

### Editorial Review

#### From Publishers Weekly

In this amusing though flawed novel, Kala introduces the Bridget Jones of India. Aisha Bathia is an independent 29-year-old single woman living in New Delhi working as a guest relations manager at the five-star Grand Orchid Hotel. The job seems fabulous, but in reality the hours are bad and so is the pay. And Bathia's life as a modern woman is small compensation: a 29-year-old woman in India is not supposed to be unmarried. With her two best friends, Misha and Anushka (recently divorced from her cheating husband), Bathia searches for love, trying everything from online dating to fasting during Karva Chauth, the traditional Hindu festival for married women. But Bathia has her eye on only one man, Karan Verma, the handsome investment banker from New York, even though as things move along she begins to question exactly what she is looking for. While the romance scenes are not very tense or romantic, Kala hits a bull's-eye with the situations Bathia and her cohorts finds themselves in. With a plethora of disappointing chick lit novels out there, Kala achieves what many cannot—she makes her readers laugh aloud. (Feb.)

Aisha Bhatia enjoys her job as a guest-relations manager at a five-star New Delhi hotel, and her jaunts with her circle of singleton friends, but at 29 she is past prime marrying age, and her mother won't let her forget it. Then Karan Verma, a handsome businessman, checks into the hotel during a move from New York to India. While Aisha helps Karan find an apartment and plan a housewarming party, her role evolves from personal assistant to pseudogirlfriend. Even as they develop feelings for one another, Aisha questions whether marriage is really her calling. Debut novelist Kala offers chick lit with an Indian twist. Although the ups-and-downs of relationships will be familiar territory for readers, Kala's depiction of New Delhi, where tradition intersects with modernity—with such curious results as marriages arranged online—is distinctive. Her likable heroine, witty dialogue, and slightly saccharine plot will also attract romance readers. -- Aleksandra Walker

#### Review

"The internationally trendy fiction genre...popularized by *Bridget Jones's Diary* and *Sex and the City*, now has an Indian avatar.'—*Washington Post*

"Endearing and charming...Just the sort of book that could make a tiresome journey bearable." —*Statesman*, India

"Bridget Jones dons a sari....A new publishing phenomenon."—*Independent*, UK

"Chick lit with an Indian twist"—*Booklist*

#### From reader reviews:

#### Marilyn Daniels:

This Almost Single are generally reliable for you who want to be a successful person, why. The explanation of this Almost Single can be on the list of great books you must have is giving you more than just simple

examining food but feed a person with information that probably will shock your previous knowledge. This book is definitely handy, you can bring it almost everywhere and whenever your conditions in e-book and printed ones. Beside that this Almost Single forcing you to have an enormous of experience for instance rich vocabulary, giving you demo of critical thinking that could it useful in your day activity. So , let's have it appreciate reading.

### **Clarence Guyer:**

A lot of people always spent their particular free time to vacation or maybe go to the outside with them family or their friend. Do you know? Many a lot of people spent that they free time just watching TV, or even playing video games all day long. If you would like try to find a new activity honestly, that is look different you can read a new book. It is really fun for yourself. If you enjoy the book that you simply read you can spent all day every day to reading a publication. The book Almost Single it is quite good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. In case you did not have enough space to bring this book you can buy typically the e-book. You can m0ore easily to read this book out of your smart phone. The price is not too costly but this book has high quality.

### **Gerald Stewart:**

This Almost Single is great publication for you because the content that is certainly full of information for you who all always deal with world and have to make decision every minute. That book reveal it facts accurately using great coordinate word or we can declare no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with attractive delivering sentences. Having Almost Single in your hand like obtaining the world in your arm, details in it is not ridiculous just one. We can say that no publication that offer you world within ten or fifteen minute right but this publication already do that. So , this can be good reading book. Hey Mr. and Mrs. busy do you still doubt that will?

### **Hae Hughes:**

In this period of time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The book that recommended for your requirements is Almost Single this publication consist a lot of the information from the condition of this world now. That book was represented how do the world has grown up. The terminology styles that writer value to explain it is easy to understand. Typically the writer made some study when he makes this book. That's why this book ideal all of you.
