Golden Moments By Danielle Steel

As one of the world's richest women, beautiful Kezla Saint Martin was the pampered darling of the jet-set, her life a careless round of glamourous games. But those games had rules of their own, and Kezla was harbouring secret longings. She wanted all that lavish world provided- and more. Then Kezla met Lucas Johns: bold, dynamic- a man with a lust for life and a gift for danger. Ex-convict, crusader, he was a hero to many and a threat to many more. To Kezla he became the only thing that mattered , and the love they shared was richer, more powerful than any she'd ever known. This was their sweetest hour...until their world crashed and their love had to meet its sternest test...
