Kirby Five-Oh!: Celebrating 50 Years Of The By John Morrow

- The publication that started the TwoMorrows juggernaut presents *Kirby Five-Oh!*, a special look at the best of everything from Jack Kirby's 50-year career in comics! The regular columnists from *The Jack Kirby Collector* magazine have formed a distinguished panel of experts to choose and examine: The best Kirby story published each year from 1938-1987! The best covers from each decade! Jack's 50 best unused pieces of art! His 50 best character designs! And profiles of, and commentary by, the 50 people most influenced by Kirby's work! Plus there's a 50-page gallery of Kirby's powerful raw pencil art, and a deluxe color section of photos and finished art from throughout his entire half-century oeuvre.

Editorial Review

From [Booklist](#)

This lavish, tabloid-sized tribute to one of comics' great innovators, cocreator of the Fantastic Four and the X-Men, doubles as the fiftieth issue of *Jack Kirby Collector*, a labor-of-love magazine devoted to the artist, whose career spanned 50 years. To constitute a milestone, the contributors have chosen a half-hundred of Kirby's best in four categories, that is, 50 foremost stories, covers, unpublished artwork, and character designs. There are also 50 artists' and authors' testimonials to Kirby's influence and 50 pages of samples of Kirby's pencil originals, which the oversize pages show off to full advantage. Perhaps the volume of heartfelt praise of Kirby by his acolytes becomes exhausting, just like reading too many of the artist's action-packed pages; but if anyone in comics deserves such effusiveness, it's the man who pretty much created the superhero genre as we know it today. Libraries in which Mark Evanier's biography, *Kirby: King of Comics* (2008), attracts attention should definitely consider this book, not to mention the five volumes of *The Collected Jack Kirby Collector*. --Gordon Flagg

Users Review

From reader reviews:

Jeanne Pratt:

What do you consider book? It is just for students because they're still students or it for all people in the world, what the best subject for that? Only you can be answered for that concern above.
