Editorial Review

From the Publisher

The popular and comprehensive graphic designers bible--completely revised and up-to-date with emerging technologies and trends.

From the Back Cover

This comprehensive introduction to the print production process takes graphic designers through all stages of production, and discusses both conventional methods and the latest computer technology. It covers text and type, illustrations, prepress, printing, and finishing. For graphic designers and print production professionals.

About the Author

Alan Pipes is the former editor of CadCam International and the author of Drawing for 3-Dimensional Design, Introduction to Design, and Foundations of Art and Design.

Users Review

From reader reviews:

Kevin White:

What do you consider book? It is just for students since they're still students or it for all people in the world, the actual best subject for that? Just you can be answered for that problem above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't need do that. You must know how great in addition to important the book Production for Graphic Designers (5th Edition). All type of book is it possible to see on many methods. You can look for the internet methods or other social media.

Samantha Williams:

Here thing why this Production for Graphic Designers (5th Edition) are different and dependable to be yours. First of all looking at a book is good but it really depends in the content of computer which is the content is as tasty as food or not. Production for Graphic Designers (5th Edition) giving you information deeper including different ways, you can find any reserve out there but there is no e-book that similar with Production for Graphic Designers (5th Edition). It gives you thrill reading through journey, its open up your personal eyes about the thing which happened in the world which is might be can be happened around you. You can bring everywhere like in playground, café, or even in your method home by train. For anyone who is having difficulties in bringing the paper book maybe the form of Production for Graphic Designers (5th Edition) in e-book can be your choice.

Martin Solomon:

Is it anyone who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Production for Graphic Designers (5th

Edition) can be the solution, oh how comes? A book you know. You are so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

Richard Haley:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Production for Graphic Designers (5th Edition) can make you feel more interested to read.
