**Surviving the Bosnian Genocide: The Women of Srebrenica Speak** By Selma Leydesdorff

In July 1995, the Army of the Serbian Republic killed some 8,000 Bosnian men and boys in and around the town of Srebrenica—the largest mass murder in Europe since World War II. *Surviving the Bosnian Genocide* is based on the testimonies of 60 female survivors of the massacre who were interviewed by Dutch historian Selma Leydesdorff. The women, many of whom still live in refugee camps, talk about their lives before the Bosnian war, the events of the massacre, and the ways they have tried to cope with their fate. Drawing on their memories, though fragmented by trauma, the women tell of life and survival under extreme conditions, while recalling a time before the war when Muslims, Croats, and Serbs lived together peaceably. By giving them a voice, this book looks beyond the rapes, murders, and atrocities of that dark time to show the agency of these women during and after the war and their fight to uncover the truth of what happened at Srebrenica and why.

### Editorial Review

#### Review

"With sensitivity and compassion, Leydesdorff... interviews about 50 female survivors of the Srebrenica massacre... in this valuable oral history." —Publishers Weekly

*(Publishers Weekly 2011-01-00)*

"A book of remarkable integrity that gives the victims voices, faces, families, and lives.... The author succeeds in creating an honest and sensitive picture from the jumble of stories, emotions, and reminiscences.... A work of great social relevance." —Internationale Spectator

*(Internationale Spectator)*

"Surviving the Bosnian Genocide provides a clear, concise analysis of conditions in Srebrenica and the genocidal massacre in Potocari. As an author, Leydesdorff manages to organize excerpts from dozens of interviewees in a manner that allows their words to carry the weight of the experience, while interjecting herself only to provide the necessary historical perspective to maintain its readability. Ultimately, this collection of experiences succeeds at placing the human toll of mass atrocities in the forefront of the historical discussion in a way that preserves the emotional scars such events leave in their wake." —Oral History Review

*(Oral History Review)*

#### About the Author

Selma Leydesdorff is Professor of Oral History and Culture at the University of Amsterdam. She is author of *We Lived with Dignity: The Jewish Proletariat of Amsterdam, 1900–1940* and editor (with Nanci Adler, Mary Chamberlain, and Leyla Neyzi) of *Memories of Mass Repression: Narrating Life Stories in the Aftermath of Atrocity*.

Kay Richardson is a retired editor with 30 years of experience in international scholarly publishing. During her 13 years of residence in the Netherlands, she gained fluency in Dutch and developed an abiding interest in Dutch history and culture.
