Editorial Review

Amazon.com Review

The Bedford Glossary includes lengthy (and easy-to-follow) discussions of ideas including such biggies as cultural studies, deconstruction, feminist criticism, gender criticism, irony, Marxist criticism, the new historicism, poststructuralism, psychological criticism and psychoanalytic criticism, and reader-response criticism. More obscure terms--*anagnorisis*, *epithalamium*, *Menippean satire*, *kenning*--receive shorter but equally careful treatment. This is a clear and comprehensive reference for academics, intellectuals, and anyone else who wants to hold forth intelligently on subjects literary and critical. --Jane Steinberg

Users Review

From reader reviews:

Jason Villalobos:

What do you concerning book? It is not important to you? Or just adding material when you need something to explain what your own problem? How about your extra time? Or are you busy man? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? All people has many questions above. The doctor has to answer that question since just their can do which. It said that about book. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this particular The Bedford Glossary of Critical and Literary Terms to read.

Daniel Gordon:
