Us By Michael Kimball

"Michael Kimball is a hero of contemporary fiction." —Sam Lipsyte

A husband wakes up to find his wife has had a seizure during the night. His wife is rushed to a hospital where she lies in a coma. By day, the husband sits beside his wife and tries to think of ways to wake her up. The husband sleeps in the chair next to his wife's bedside dreaming that she will wake up. He wants to be able to take her back home.

Michael Kimball is author of *The Way the Family Got Away*, *Dear Everybody*, and the forthcoming *Ray*.

Editorial Review

Review

"Be warned: this book has the power to make even the most hard-hearted of readers shed a tear. ...Kimball has broken into new territory: [US] is one of the most graphic depictions of illness and loss I have ever read."

--The Glasgow Herald

"Michael Kimball never ceases to astonish. He is a hero of contemporary fiction."

--Sam Lipsyte

"There are two books I can remember that ever made me physically cry. There were the rape scenes in Saramago's *Blindness*, and there was nearly every chapter of Michael Kimball's [US]. While the first hurt because it was so brutal, Kimball's was a softer kind of invocation--as I read it in a bathtub, I could not shake the feeling of being held, as if somehow the words had interlaced my skin. This is the essence of the magic Michael Kimball holds--his sentences come on so taut, so right there, and yet somehow so calming, it's as if you are being visited by some lighted presence."

--Blake Butler

About the Author

Users Review

From reader reviews:

Malissa Conlin:

Here thing why this kind of Us are different and reliable to be yours. First of all examining a book is good nevertheless it depends in the content of computer which is the content is as yummy as food or not. Us giving you information deeper and different ways, you can find any reserve out there but there is no reserve that similar with Us. It gives you thrill reading journey, its open up your own eyes about the thing in which happened in the world which is might be can be happened around you. It is possible to bring everywhere like in playground, café, or even in your means home by train. If you are having difficulties in bringing the imprinted book maybe the form of Us in e-book can be your substitute.

Gustavo Cyr:

Us can be one of your starter books that are good idea. We all recommend that straight away because this e-book has good vocabulary that may increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort to set every word into pleasure arrangement in

writing *Us* but doesn't forget the main point, giving the reader the hottest and based confirm resource info that maybe you can be among it. This great information could drawn you into fresh stage of crucial thinking.

Greta Rivera:

In this period of time globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher which print many kinds of book. The particular book that recommended for you is *Us* this publication consist a lot of the information on the condition of this world now. This kind of book was represented how can the world has grown up. The words styles that writer make usage of to explain it is easy to understand. The particular writer made some analysis when he makes this book. That's why this book suitable all of you.

Carlos Lauzon:

A lot of book has printed but it differs. You can get it by internet on social media. You can choose the very best book for you, science, witty, novel, or whatever simply by searching from it. It is referred to as of book *Us*. You can include your knowledge by it. Without causing the printed book, it might add your knowledge and make a person happier to read. It is most important that, you must aware about publication. It can bring you from one location to other place.
